

COME AND JOIN MANCHESTER UNIVERSITIES' GUILD OF CHANGE RINGERS

We are a group of students and graduates that enjoy going to the pub, and also enjoy the ancient art of bell ringing.

The historic art combines music, maths, teamwork, historic church buildings, and **offers you a new community**, the opportunity to learn a new skill and lots of pub trips!

ALL students welcome!

NO experience needed! We will teach you to ring!

NO you don't have to be musical!

Come and meet us at our student practice night!

Holy Innocents church, Fallowfield (behind 256 club!) 4
